ERRATUM

Released: November 26, 2008

By the Acting Chief, Wireless Telecommunications Bureau:

On November 10, 2008, the Commission released a *Memorandum Opinion and Order and Declaratory Ruling*, FCC 08-258, in the above-captioned proceeding. This Erratum corrects paragraph 191 to read as follows:

“We decline to impose the broader conditions as requested by PISC. In previous cases where conditions based on the *Internet Policy Statement* were made a condition for approval of a transaction, the transactions involved service providers who had voluntarily agreed to the condition in question.”
